

TRUE quality. TRUE performance. TRUE peace of mind.

TennantTrue®

Block of Time Service

SERVICE DONE RIGHT – RIGHT ON SCHEDULE

TennantTrue Block of Time Service provides consistency and reliability for complex operations, especially large campus-like environments that have a machine fleet. Service is scheduled in six-hour increments on the same day, at the same time, with the same technician who understands your facility – on a weekly or biweekly basis.

If productivity and dependability are important, but you have many competing priorities and little time to spare, TennantTrue Block of Time Service is just the right plan for you.
